Sample Orientation Schedule for Parents of Transfer Students - 2019

This is a general schedule. An updated, detailed schedule with locations and program descriptions will be distributed at parent/guardian check-in. After the “Opening Meeting” parents/guardians will not meet up with their students again until the end of the day when the transfer student program is over. The transfer student program and the parent program are totally separate in nature. Orientation IS NOT mandatory for parents. Orientation IS mandatory for Transfer students and is when they register for classes.
