| 8:00-9:00 a.m. | **Parking is in the North Garage**  
   Students will be responsible for paying to park in the North Parking Garage to avoid ticketing during the Campus Change Orientation program. The charge for parking during the program will be approximately $9 (covers 6-7 hours) payable when you exit the garage. Unless you have a Storrs parking permit, parking in any place other than the garage can incur a parking ticket. There are no other charges for the program. |

   This program is for UConn students ONLY who are changing to the Storrs campus from a Regional campus for Fall 2018. Parents/Siblings/Friends can meet back up with the student at the end of the day but they cannot accompany the student through the Orientation program. |

   This tour is customized and based on the buildings students put on their Orientation reservation form that they wanted to see while on campus. This tour focuses on academic buildings and support service facilities, NOT residence halls. Students will be divided into smaller groups for the tour.  
   **NOTE ABOUT UNIVERSITY RESIDENCE HALLS:** University residence halls are NOT open during the summer and are located on the outer rim of campus. We can indicate on a campus map where your residence hall is and you can either walk or drive there after the tour ends if you wish to see the outside of the building. |
