Parents/Guardians/Guests/Friends or Siblings cannot accompany students to any part of their Orientation program.

*Orientation ends between 4:30-5:00 p.m.* Students who choose to leave the program before its official ending time will have the classes they registered for at Orientation dropped from their schedule. Students will be able to re-register for classes on Monday, January 21, 2019. The Orientation leaders will tell new students when the program is officially over.
