Advising/Registration IV Time Block for CLAS

4:30 - 5:00 p.m.  
End of Orientation Program

*Please note that his is a general schedule for the one-day Orientation program. Since students will be put in Orientation groups schedules will vary because groups will attend program sessions and class registration at different times. An updated schedule will be distributed at Orientation check-in. Students should not expect to leave before 5:00 pm. This is a full-day program. All Orientation sessions are mandatory for first time degree-seeking students at UConn. Unfortunately, at this time of the year there is no Parent/Guardian Orientation program. Parents/Guardians/Guests/Friends or Siblings cannot accompany students to any part of their Orientation program.

*Orientation ends between 4:30-5:00 p.m.*  Students who choose to leave the program before its official ending time will have the classes they registered for at Orientation dropped from their schedule. Students will be able to re-register for classes on Monday, January 20, 2020. The Orientation leaders will tell students when the program is officially over.
