Guided Walking Tour of Campus led by the LVC Tour Leaders

This tour is customized and based on the buildings students put on their Orientation reservation forms that they wanted to see while on campus. This tour focuses on academic buildings and support service facilities, NOT residence halls. Students will be divided into smaller groups for the tour.

NOTE ABOUT UNIVERSITY RESIDENCE HALLS: *University residence halls are NOT open during the summer and are located on the outer rim of campus. We can indicate on a campus map where your residence hall is and you can either walk or drive there after the tour ends if you wish to see the outside of the building.*
